

# AEW11 – 2019

## 11<sup>th</sup>- Asia-Europe Workshop on Concepts in Information theory

A Tribute to Hiro Morita (UEC, Chofu, Japan)

Royal Maas Yacht Club, Rotterdam, the Netherlands  
July 3 - 5, 2019

### Chair

Kui Cai (SUTD, Singapore)  
Ludo Tolhuizen (Philips, Eindhoven)  
Hirosuke Yamamoto (University of Tokyo)

### Local Arrangements

Kees Immink (Turing Machines)  
Jos Weber (TUD, Delft)

### Technical Program

Han Vinck (DUE, Duisburg)  
Tadashi Wadayama (NIT, Nagoya)

### International Advisory committee

Jasper Goseling (UT, Twente)  
Hirosaki Kamabe (Gifu University)  
Vitaly Skachek (University of Tartu)

### Important dates

Hotel bookings: Thon hotel, Rdam  
email: [reservations@thonhotels.nl](mailto:reservations@thonhotels.nl)  
until June 3<sup>rd</sup>.

### Sponsors

[WIC](#)

### Technical Support

Shannon Foundation  
Stichting Leibniz

The Workshop AEW11 will be held in Rotterdam, the Netherlands on July 3 - 5, 2019. The theme is “Concepts in Information Theory”.

The 11th Asia-Europe workshop on “Concepts in Information Theory” is based on a longstanding cooperation between Asian and European scientists. The first workshop was held in Eindhoven, the Netherlands in 1989. The idea of the workshop is threefold: improvement of the communication between the scientists in the different parts of the world; exchange knowledge and ideas; pay a tribute to a well respected and special scientist. In the past, we paid tributes to Jim Massey, Jack Wolf, Te Sun Han, Han Vinck, Kees Immink, Kingo Kobayashi, and Hirosuke Yamamoto. We are very proud that for this workshop Hiroyoshi Morita accepted our invitation to be our guest of honour and key lecturer. His style of presenting is extremely inspiring and always very clear. The organizers want to pay special attention to these aspects.

We encourage presenters to pay special attention to the educational aspects of their presentation and concentrate on the main ideas and concepts in the developed theory. Highly technical presentations are not welcomed. Paper submission deadline: May 24. Papers/abstracts should be sent to Han Vinck (email: [han.vinck@uni-due.de](mailto:han.vinck@uni-due.de)). Acceptance letter: June 1.

Hotel: Rooms can be booked directly at the Thon hotel, Willemsplein 1, 3016 DN Rotterdam (email: [reservations@thonhotels.nl](mailto:reservations@thonhotels.nl)) under the name AEW11. Thon hotel is around 250 m from the venue. We blocked a number of rooms until June 3<sup>rd</sup>. Price: Euro 107 single; 116 dbl. including breakfast and local tax.

Rotterdam is 20 minutes from Schiphol International Airport by train. There is an hourly train connection between Rotterdam and Paris (Thalys, 2hrs 40 min.)

The registration (see next page) fee, Euro 250, includes get-together, lunch, dinner, coffee breaks and proceedings. We plan an excursion on Friday afternoon, July 5<sup>th</sup>.

For information: Kees Immink (email: [immink@turing-machines.com](mailto:immink@turing-machines.com)) or Han Vinck, (email: [han.vinck@uni-due.de](mailto:han.vinck@uni-due.de)).
